Gentle comfort for sensitive tummies & little bodies.

Who It's Designed For:

Colic Relief is designed to support digestive comfort and gentle relaxation for babies and young children. This blend helps soothe tummy discomfort, ease tension, and encourage settling during periods of digestive sensitivity. It offers reassuring support for:

- Periods of colic or unsettled behaviour
- Digestive sensitivity after feeding
- Tension and restlessness linked to tummy discomfort
- Babies and young children needing gentle digestive support
- Helps reduce gas and bloating

Colic Relief
(Ages 3-24 Months)

Colic Relief +
(Ages 2-6 years)

Nature's Comfort

This blend combines pure and organic essential oils traditionally valued for supporting digestive comfort and gentle relaxation. It helps soothe tummy discomfort, ease tension, and encourage settling during periods of digestive sensitivity.

- German Chamomile oil (*Matricaria recutita*)
- Sweet Marjoram oil (*Origanum majorana*)
- Lavender oil (*Lavandula angustifolia*)
- Frankincense oil (*Boswellia carterii*)
- Coriander Seed oil (*Coriandrum sativum*)

Jojoba oil (*Simmondsia chinensis*) is selected as a carrier for its excellent skin compatibility and gentle absorption. It supports delicate skin while allowing the essential oils to be delivered in a smooth, non-greasy way.

Why These Ingredients Are Chosen

Each ingredient is carefully selected to support digestive comfort, ease tummy tension, and encourage relaxation in sensitive and developing systems.

German Chamomile

Deeply soothing and nurturing, traditionally valued for helping calm digestive discomfort and support emotional settling.

Sweet Marjoram

Warm and comforting, helping ease tension and support relaxation of the tummy and body.

Lavender

Gentle and calming, supporting relaxation and overall comfort during periods of discomfort.

Frankincense

Grounding and reassuring, helping support calm and balance in little bodies.

Coriander Seed

Traditionally used to support digestion and help ease gas and bloating.
