

Detox Support

Gentle Daily Detox for
Digestive Balance

What Is Detox Support?

Detox Support is a wellness supplement designed to assist the body's natural detoxification pathways, including liver and digestive function.

Your body detoxes daily on its own. This formula simply provides gentle nutritional support, especially during lifestyle changes, dietary adjustments, or wellness resets. It works best alongside hydration, balanced nutrition, and regular movement.

Who is it Best for:

- Individuals doing a wellness reset
- Those wanting digestive and elimination support
- People focusing on metabolic balance and overall wellness

Detox Support with Neem & Turmeric

Neem (Azadirachta indica)

- Supports the body's natural detoxification processes
- Helps regulate inflammation and immune response
- Traditionally used to support liver function and natural cleansing processes.
- Assists in maintaining internal balance during toxin exposure

Turmeric (Curcuma longa)

- Powerful antioxidant and anti-inflammatory support
- Helps manage systemic inflammation
- Supports liver health and detox pathways
- Promotes overall cellular protection

Why Choose Detox Support?

Detox Support is ideal for individuals focusing on overall balance and internal support, especially during dietary changes or structured wellness plans. It is designed to complement consistent daily habits such as hydration, fibre intake, balanced meals, and regular movement.

Detox Support is typically chosen as part of a balanced wellness approach to support:

- Elimination and digestive balance
- Reduced digestive heaviness
- Internal balance during dietary changes
- Support during structured wellness resets
- Weekly digestive support cycles

Important: This product may support these functions. It is not positioned as a cure or a replacement for medical treatment.

Your Daily Routine

- Dosage: 1 capsule Friday afternoon/night & 1 capsule Saturday afternoon/night.
- Timing: Afternoon or night with water.
- Consistency: Follow the weekly cycle consistently for structured digestive and detox support.

Note: Encourage adequate hydration throughout the day and combine with clean, balanced nutrition for best support.

Precautions and Storage

Precautions:

- Not recommended during pregnancy or breastfeeding
- Clients taking medication should consult a healthcare provider before use
- Not intended for rapid weight loss

Storage:

- Store in a cool, dry place
- Keep out of reach of children

Disclaimer: This product is a dietary supplement and is not intended to diagnose, treat, cure, or prevent any disease. All stated benefits relate to the known nutritional roles of the listed ingredients. Individual responses may vary.

Frequently Asked Questions

Is Detox Support safe for daily use?

Detox Support is designed to be used twice a week according to the recommended weekly cycle.

How long before I notice results?

Many users report reduced bloating, improved digestion, or increased energy within 7-14 days, though individual results may vary.

Will this cause stomach discomfort or urgency?

Detox Support is designed to be gentle and non-laxative. Most users tolerate it well when taken as directed.

Can Detox Support help with bloating and sluggish digestion?

Yes. By supporting liver and digestive function, Detox Support may help reduce bloating and digestive heaviness.

Is this product suitable for men and women?

Yes. Detox Support is suitable for adults of all genders.

Can I take Detox Support with other supplements or medication?

Detox Support is a nutritional support supplement. If you are taking medication or have a medical condition, consult your healthcare provider before use.

Do I need to follow a detox diet while taking this?

No strict detox diet is required. However, hydration and reduced processed foods may enhance results.

Can I take this while pregnant or breastfeeding?

No. Detox Support is not recommended during pregnancy or breastfeeding unless approved by a healthcare professional.

When is the best time to take Detox Support?

Take 1 capsule Friday and Saturday afternoon or evening with water.

Is Detox Support vegan-friendly?

Yes. All capsules are vegan-friendly.
