

# INTIMATE

## MASSAGE & GLIDE OIL

Smooth, long-lasting glide for comfort, closeness, and connection.

# Luxury In Every Touch

Intimate is a luxurious massage and glide oil designed to elevate moments of closeness, comfort, and connection. Formulated with organic odourless coconut oil and FECO Galaxy, this silky blend glides effortlessly across the skin while providing a soft, velvety feel.

Suitable for intimate use and massage, Intimate can be enjoyed alone or shared with a partner as part of a calming sensory body care experience. Its fragrance-free profile and smooth texture make it ideal for those seeking a more minimal, skin-focused alternative without silicone or unnecessary additives.

# Nature's Choice

Intimate combines ingredients chosen to create a smooth, long-lasting glide, lightweight texture, and comfortable feel during intimate moments and massage.

## **Organic Odourless Coconut Oil**

Lightweight and silky, coconut oil helps create a smooth, effortless glide while supporting softness and comfort without a heavy or sticky feel.

## **FECO Galaxy**

Included as part of Intimate's minimalist formulation to complement the product's smooth glide and soft, comfortable feel.

Organic odourless coconut oil and FECO Galaxy work together to create a silky massage and glide oil designed for smooth, comfortable glide and sensory body care.

# Designed for comfort & connection

Intimate is a versatile massage and glide oil designed to enhance closeness, relaxation, and sensory experiences.

## INTIMATE MOMENTS

Enhances closeness and connection with a smooth, long-lasting glide.

## RELAXATION & MASSAGE

Ideal for full-body massage, easing tension and promoting relaxation.

## SENSORY BODY CARE

Provides a silky, lightweight feel on the skin

## SHARED MOMENTS

Perfect for creating relaxing moments of comfort, closeness, and connection.

# Why These Ingredients Were Chosen

Intimate was formulated with a minimalist approach using ingredients chosen for their smooth texture, lasting glide, and comfortable feel during intimate use and massage.

## **Organic Odourless Coconut Oil**

Chosen for its lightweight, silky texture and smooth glide. It melts easily with body warmth and helps create a soft, comfortable feel without heaviness or stickiness.

## **FECO Galaxy**

Included to complement the formulation's smooth glide and soft, comfortable feel.

Together, these ingredients create a smooth massage and glide oil designed to provide lasting comfort, effortless glide, and a soft, lightweight feel without silicone, added fragrance, or unnecessary fillers.

# Why You'll Love It

Intimate is designed to create a smooth, comfortable, and luxurious glide experience with a lightweight feel that melts beautifully with body warmth.

## Smooth, Long-Lasting Glide

Provides a silky glide that helps reduce friction while enhancing comfort, closeness, and connection.

## Lightweight & Velvety

The smooth oil texture feels soft, lightweight, and non-sticky on the skin without heaviness.

## Fragrance Free

Free from added fragrance for a clean, minimal experience suitable for sensitive skin and intimate use.

## Suitable for Massage & Intimate Use

Versatile and luxurious for massage, intimacy, relaxation, and sensory body care.

# What Makes It Different:

INTIMATE Massage & Glide Oil	TRADITIONAL LUBRICANTS	 WHY IT MATTERS
 Lightweight Oil Glide	Often thick or gel-like	Provides a natural, effortless glide that feels smooth and comfortable.
 Minimal Ingredient Formulation	Often heavily formulated	Made with only what's needed for a smooth, comfortable experience.
 Silicone Free	May contain silicones	Lightweight feel that rinses away more easily.
 Massage & Intimate Use	Single-purpose use	Versatile for massage, intimacy, and sensory body care.

A decorative image on the left side of the page featuring several green cannabis leaves and pieces of coconut. One coconut is cut in half, showing the white flesh and brown shell. The items are arranged on a light-colored surface.

# Directions:

Apply a small amount externally as needed to create a smooth, comfortable glide.

Massage gently into the skin and reapply as desired for additional glide and comfort.

Suitable for intimate use and massage.

## Safety & Precautions

- For adult use only
- Avoid contact with eyes
- Discontinue use if irritation or discomfort occurs
- Keep out of reach of children
- Store in a cool, dry place away from direct sunlight and excessive heat
- Oil-based products are not compatible with latex condoms and may increase the risk of breakage
