- Mosquito-prone environments
- Daycare and group settings
- Sensitive and delicate skin

Little Bug Guard  
(Ages 3-24 Months)

Little Bug Guard +  
(Ages 2-6 Years)

# Nature's Comfort

This blend combines pure and organic essential oils traditionally valued for supporting natural protection, comforting delicate skin, and helping little ones feel more at ease in changing environments.

- Lavender oil (*Lavandula angustifolia*)
- Geranium oil (*Pelargonium graveolens*)
- Cedarwood oil (*Cedrus atlantica*)
- Frankincense oil (*Boswellia carterii*)

Jojoba oil (*Simmondsia chinensis*) is selected as a carrier for its excellent skin compatibility and gentle absorption. It supports the skin barrier, suits sensitive and delicate skin, and allows the essential oils to be delivered in a balanced and non-greasy way for .

# Why These Ingredients Are Chosen

Each ingredient is selected for its specific aromatic profile to support natural insect protection while helping to soothe and care for the skin after bites or irritation.

## **Lavender**

Soothing and calming, helping to comfort delicate skin and support relaxation after bites or irritation.

## **Geranium**

Balancing and supportive, traditionally valued for skin comfort and helping create a fresh, protective aromatic environment.

## **Cedarwood**

Grounding and gentle, helping support natural protection while remaining kind to sensitive skin.

## **Frankincense**

Comforting and nurturing, known for supporting skin balance and overall wellbeing.

# Why You Will Love It

01

## **Helps Discourage Mosquitoes and Insects**

Supports natural protection during everyday activities.

## **Comfort for Bites and Irritated Skin**

Helps soothe and support the skin if bites occur.

02

03

## **Gentle for Babies and Young Children**

Carefully formulated for delicate and sensitive skin.

## **Gentle Everyday Protection and Parent Peace of Mind**

A reassuring natural option for warmer seasons, travel, and daily routines.

04

05

## **Soft, Child-Friendly Aroma**

Fresh, gentle scent designed for regular use.

## How to Use Little Bug Guard: 3-24 Months

### Application

Apply 1 gentle roll to the ankles, lower legs, or exposed areas if needed. Avoid hands, face, and areas that may come into contact with the mouth.

### Frequency

Use once daily before exposure. During warmer seasons or increased insect exposure, it may be used morning and evening.

### Best Moment

Use before daycare, outings, travel, or time spent in environments where insects may be present.

## How to Use Little Bug Guard: 2-6 Years

### Application

Apply 1-2 rolls to the ankles, behind the knees, or exposed areas such as the legs and arms as needed.

### Frequency

Use up to 2 times daily.

### Best Moment

Use before school, social situations, or during periods of stress, emotional tension, or increased demands.

# Safety & Precautions

- Little Bug Guard is available in age-specific variants. Always confirm the child's age and recommend the correct version.
- For external use only. Do not ingest. Avoid contact with the eyes, face, and nose.
- Apply only to recommended areas. For babies and young children, avoid the hands and areas that may come into contact with the mouth.
- Patch testing is recommended before first use, especially for sensitive or reactive skin.
- Discontinue use if any irritation or discomfort occurs.
- If the child has known sensitivities, allergies, or underlying health concerns, parents should seek professional guidance before use.
- Store in a cool, dry place and keep out of reach of children.
