# What is Baby Comfort Oil?

Gentle, Natural Support for Little Growing Bodies

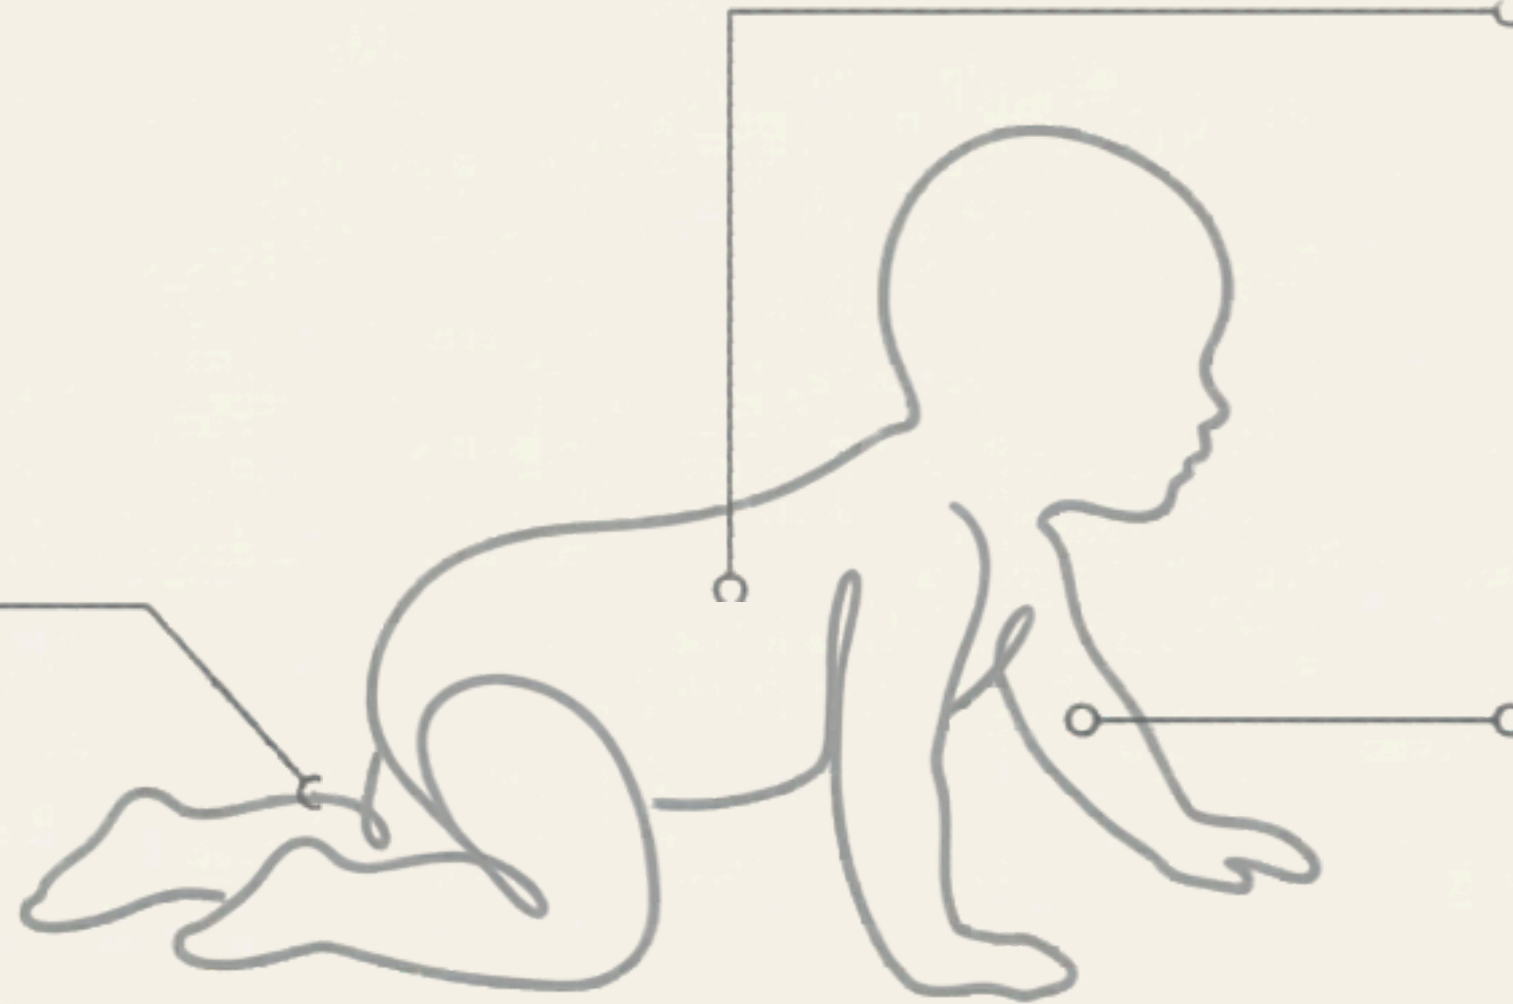

Little Grace – Baby Comfort is thoughtfully formulated using carefully selected botanical ingredients to support your baby during the stage of crawling, standing and early steps.

As little bodies explore and grow, small bumps, bruises and moments of discomfort are part of the journey. This gentle blend is designed to provide soft, comforting support while being suitable for delicate, sensitive skin.

Feel confident knowing you are choosing a natural option created with care for your little one.

# Targeted Comfort for Growing Bodies

**Crawling Impact**  
Soothes sore little legs and muscles adjusting to constant movement and floor friction.

**Overall Discomfort**  
Calms upset, fussy babies through the soothing nature of the scent and the physical act of massage.

**The Bumps & Bruises**  
Provides immediate, comforting botanical support to localized areas of impact from tumbles.

*Gentle massage supports circulation, helps ease tension, and provides comfort as little bodies adjust to new movement.*

# Why Parents Love It

- ❧ Helps comfort bumps and bruises after little tumbles
- ❧ Supports skin recovery as little bodies learn and grow
- ❧ Helps soothe tired legs from crawling and early steps
- ❧ Helps comfort little bodies during long car rides
- ❧ Gentle, plant-based support for sensitive skin
- ❧ Simple, minimal formulation designed for babies
- ❧ Made with 100% natural ingredients

# Simple ingredients crafted for gentle support.

## The Base

Medium Chain  
Triglyceride (MCT) Oil

A lightweight, easily absorbed carrier oil that ensures the active botanicals are safely diluted for topical use on infants.

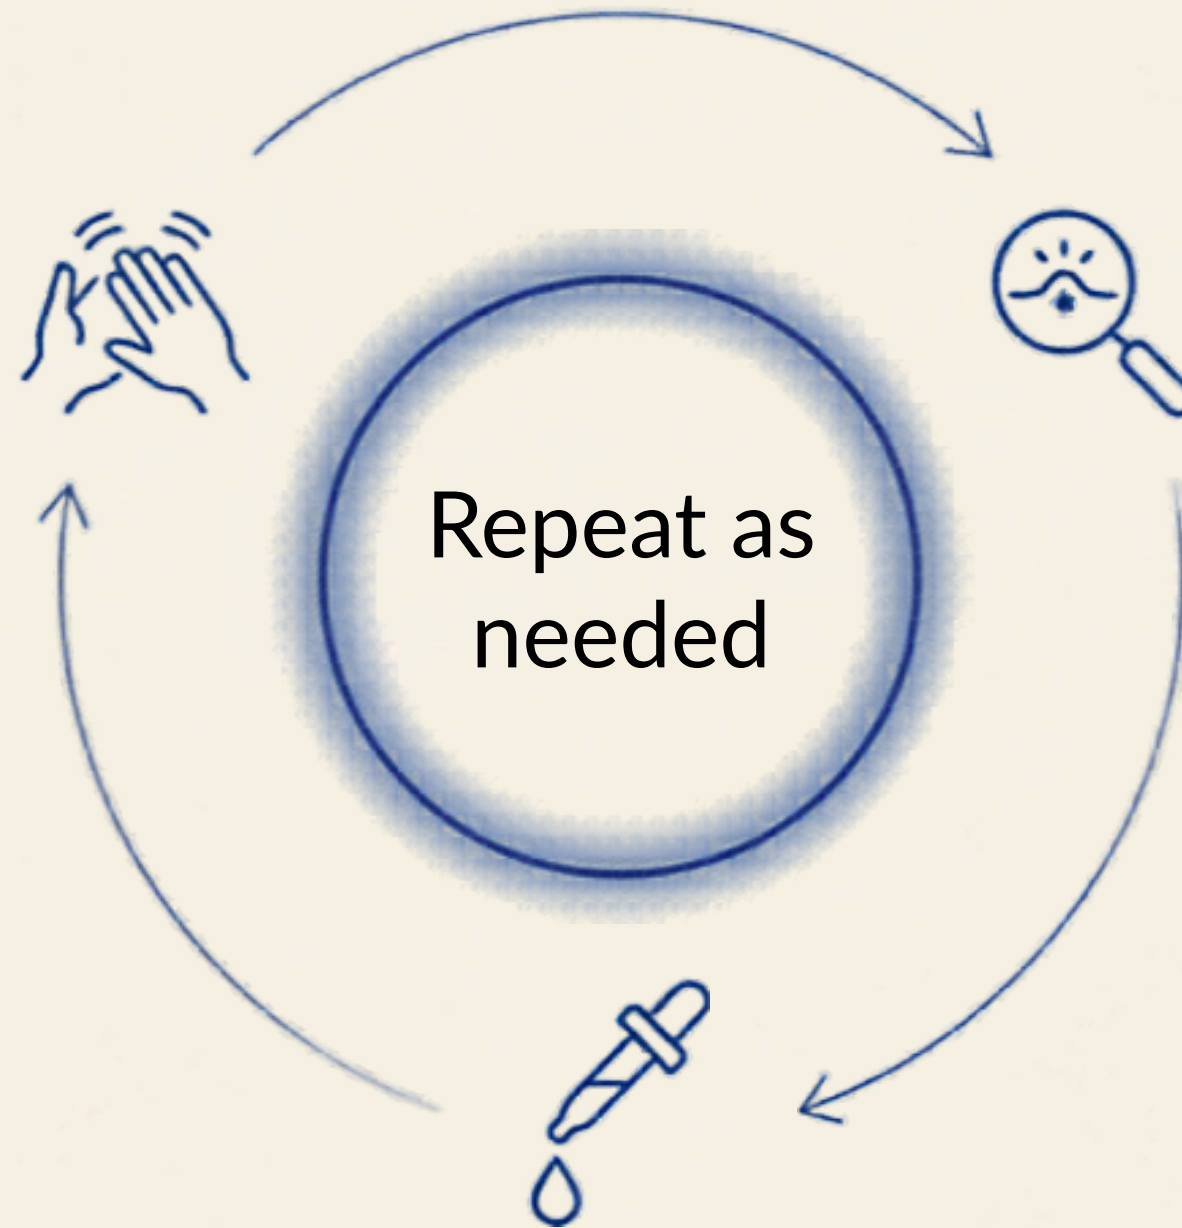

## The Support Blend

Lavender Essential Oil  
(*Lavandula angustifolia*)  
Roman Chamomile Essential  
Oil (*Chamaemelum nobile*)  
Helichrysum Essential Oil  
(*Helichrysum italicum*)

# How to use

## Step 3: Massage

Gently massage into the skin without applying pressure to sensitive areas. The act of gentle touch helps soothe, settle and comfort your baby.

## Step 1: Identify

Locate the specific area of impact or muscle fatigue.

## Step 2: Dispense

Apply a few drops to the affected area.

# Safety & Storage Protocols

## Guidelines for Use

- ✔ Suitable for babies from 6 months of age.
- ✔ Use strictly under adult supervision.
- ✔ Patch test recommended before first use.
- ✔ Store in a cool, dry place away from direct light.

## Precautions

- ✘ For external use only.
- ✘ Avoid all contact with hands, eyes, and mouth.
- ✘ Do not apply to broken, scraped, or irritated skin.
- ✘ Discontinue use immediately if irritation occurs.

***Disclaimer: This product is not intended to diagnose, treat, cure, or prevent any disease.***

# Because little rhinos need comfort, too.

Supporting your baby's brave first steps with the gentle power of nature.
