

Tranquility

Pure & Organic Diffuser Blend

Stillness in Every Breath

Who It's Designed For:

Tranquility is designed to support moments of calm, clarity, and emotional balance throughout the day.

This blend offers plant-based aromatic support for:

- Feeling overwhelmed or mentally busy
- Creating a peaceful, calm environment
- Quiet moments, meditation, or reflection
- Resetting during a busy or demanding day
- Supporting a more balanced emotional state

Nature's Comfort

This blend combines pure and organic essential oils traditionally valued for their calming and balancing aromatic properties.

- Lavender (*Lavandula angustifolia*)
- Ylang Ylang (*Cananga odorata*)

Together, they create a soft, floral aroma that helps settle the mind while supporting a sense of ease and emotional clarity.

Why You Will Love It

01

Promotes a Sense of Calm

Helps create a peaceful and balanced atmosphere

Supports Emotional Clarity

Encourages a more centred and steady mindset.

02

03

Helps Reset the Day

Ideal for pausing, regrouping, and finding your balance

Everyday Calm Support

Easy to use whenever you need a moment of stillness

04

05

Light and Uplifting

Calming without feeling heavy or sedating

How to Use Tranquility Diffuser Blend

Add to your diffuser as directed by the manufacturer and allow the aroma to gently fill your space.

General guide:

- Small diffuser (100ml): 3–5 drops
- Medium diffuser (200–300ml): 5–8 drops
- Large diffuser (400ml+): 8–10 drops

Use during moments of pause, focus, or when you want to create a calm and balanced environment.

Safety & Precautions

- Tranquility is a pure essential oil blend and should be used with care.
- For external aromatic use only. Intended for diffuser use only. Do not ingest.
- Do not apply directly to the skin, eyes, face, or sensitive areas, as this is a concentrated blend.
- Use in a well-ventilated space and avoid continuous diffusion for extended periods. Diffuse in intervals and allow breaks between use.
- Keep out of reach of children and pets.
- If sensitivity, irritation, or discomfort occurs, discontinue use immediately.
- Clients who are pregnant, breastfeeding, or under medical care should seek professional guidance before use.
- Store in a cool, dry place away from direct sunlight.
