

Pure Balance

Balancing Cleanser

Pure Balance is a balancing daily cleanser created for oily, congested, combination, and blemish-prone skin. It helps remove excess oil, buildup, congestion, and impurities while helping maintain skin comfort and hydration.

Formulated with Bakuchiol, Tea Tree, Polyglutamic Acid, and Full Spectrum Cannabis Oil, Pure Balance helps support clearer-looking skin while helping reduce the feeling of excess oil and congestion without over-drying the skin.

After cleansing, skin feels clean, refreshed, balanced, and comfortable rather than stripped or irritated.

Why You'll Love It

Balances excess oil

Cleanses away buildup and excess oil while helping maintain skin comfort.

Supports clearer-looking skin

Bakuchiol and Tea Tree help support balanced, refreshed-looking skin.

Fresh, lightweight cleanse

Leaves skin feeling clean and refreshed without tightness.

Helps reduce the feeling of congestion

Designed to help support skin prone to buildup and blocked pores.

Hydration support for oily skin

Polyglutamic Acid helps support moisture balance during cleansing.

Balanced daily cleansing

Perfect for oily, combination, and blemish-prone skin needing gentle daily support.

What it does

- Helps remove excess oil and buildup
- Helps reduce the feeling of congestion
- Supports balanced-looking skin
- Cleanses without over-drying
- Leaves skin feeling fresh and clean
- Helps maintain skin comfort and hydration

Who It's Best For / Skin Types

- Oily skin
- Combination skin
