

Pure Dew

Deep Hydration Cleanser

Pure Dew is a hydrating daily cleanser created for dehydrated, tight, dull, or moisture-depleted skin. It helps cleanse the skin while supporting healthy hydration levels and moisture balance.

Formulated with Polyglutamic Acid, Rice Ceramides, Squalane, Aloe Vera, and Full Spectrum Cannabis Oil, Pure Dew helps attract and retain moisture while supporting the skin barrier during cleansing.

Unlike traditional cleansers that can leave the skin feeling dry after washing, Pure Dew helps leave skin feeling fresh, hydrated, soft, and comfortably balanced.

Why You'll Love It

Hydration support during cleansing

Helps replenish moisture while cleansing the skin instead of leaving it feeling dry or tight.

Supports long-lasting moisture

Polyglutamic Acid and Rice Ceramides help support hydration and moisture retention.

Helps support the skin barrier

Skin-supporting ingredients help maintain healthy moisture balance.

Fresh, soft skin after cleansing

Leaves skin feeling hydrated, smooth, and refreshed after every wash.

Comforts dehydrated skin

Aloe vera and calming botanical ingredients help support skin comfort.

Daily hydration support

Perfect for skin that feels dull, tight, or moisture-depleted.

What it does

- Dehydrated skin
- Moisture-depleted skin
- Dull or tired-looking skin
- Combination skin needing hydration
- Skin prone to tightness after cleansing
- Daily hydration support

Who It's Best For / Skin Types

- Dry or dehydrated skin
- Normal and combination skin
- Skin needing extra nourishment or comfort
- Dull or tired-looking skin
- Those looking for a botanical facial oil serum

How to Use

- Apply to damp skin and gently massage onto the face and neck using circular motions. Rinse thoroughly with lukewarm water.
- Use morning and evening.
