

Pure Embrace

Barrier Support Cleanser

Pure Embrace is a gentle daily cleanser created for dry, sensitive, stressed, or easily irritated skin. It helps remove daily buildup, excess oil, sunscreen, and impurities without leaving the skin feeling stripped or tight.

Formulated with skin-supporting ingredients such as squalane, aloe vera, panthenol, and Full Spectrum Cannabis Oil, Pure Embrace helps support the skin barrier while helping maintain moisture and skin comfort during cleansing.

After cleansing, skin feels soft, calm, comfortable, and nourished rather than dry or tight.

Why You'll Love It

Cleanses without stripping

Helps remove daily buildup and impurities while maintaining skin comfort and moisture balance.

Supports the skin barrier

Squalane and skin-supporting ingredients help protect against dryness and tightness after cleansing.

Comforts dry and stressed skin

Aloe vera, panthenol, and botanical ingredients help support softer, calmer-feeling skin.

Leaves skin feeling soft and comfortable

Leaves skin feeling clean, nourished, and comfortable after every wash.

Fresh, balanced finish

Helps leave the skin feeling soft, balanced, and refreshed without heaviness.

What it does

- Gently cleanses daily buildup and impurities
- Helps support the skin barrier
- Helps maintain moisture balance
- Leaves skin feeling soft and comfortable
- Helps reduce post-cleanse tightness
- Supports calm, balanced-looking skin

Who It's Best For / Skin Types

- Dry skin
- Sensitive skin
- Stressed or compromised skin barriers
- Skin prone to tightness after cleansing
- Mature skin
- Skin needing gentle daily cleansing support

How to Use

- Apply to damp skin and gently massage onto the face and neck using circular motions. Rinse thoroughly with lukewarm water.
- Use morning and evening.
