

Coastal Mist

Mineral Body Buff

Refreshing mineral exfoliation for silky-smooth, revitalised skin.

POWERED BY CELTIC SEA SALT

Refreshing Polish & Silky-Smooth Skin

Coastal Mist is a refreshing mineral body buff created to gently polish away dull, rough skin while leaving the body feeling smooth, refreshed and energised. Mineral salts and botanical oils work together to reveal silky-soft skin without a rich after-feel.

Blending Celtic Sea Salt, Epsom Salt, Pink Himalayan Salt, Red Kaolin Clay, nourishing botanical oils, and pure essential oils, it polishes away dry surface skin to leave the body feeling silky-smooth, refreshed, and revitalised.

Regular use helps keep the skin looking smooth and refreshed while preparing it for the next steps in your body care routine.

Nature's Refreshing Polish

Coastal Mist combines mineral-rich salts, lightweight botanical oils, mineral clay, and pure essential oils to gently polish away rough, dry skin while leaving the body feeling refreshed and silky smooth.

- Grapefruit Essential Oil
- Juniper Berry Essential Oil
- Cypress Essential Oil

Medium Celtic Sea Salt, Epsom Salt, Fine Pink Himalayan Salt, Red Kaolin Clay, Fractionated Coconut Oil, Sweet Almond Oil, Castor Oil, and Vitamin E work together to gently exfoliate rough surface skin while helping soften, refresh, and support the skin's natural moisture barrier.

Grapefruit, Juniper Berry, and Cypress essential oils complete the refreshing botanical blend, leaving the skin feeling revitalised while creating an uplifting body care experience.

Why Body Polishing Matters

Throughout the day, the skin is exposed to friction, environmental stressors, and natural moisture loss. Over time, dead skin cells can build up on the body's surface, leaving the skin feeling rough, dry, and looking dull.

Regular body exfoliation helps remove this build-up, revealing smoother skin while helping improve texture and maintain a softer, healthier-looking appearance.

Coastal Mist combines mineral-rich salts with lightweight botanical oils to gently polish away rough, dry surface skin while helping refresh and soften the skin without leaving it feeling heavy.

With regular use, skin feels smoother, silkier, refreshed, and ready for the next steps in your body care routine.

Who It's Best For

Coastal Mist is suitable for anyone looking to maintain smooth, refreshed, healthy-looking skin through regular body exfoliation.

It is especially suitable for:

- ✓ Normal skin
- ✓ Combination skin
- ✓ Dull-looking skin
- ✓ Regular weekly exfoliation
- ✓ Anyone who enjoys a fresh botanical experience

For most skin types, using Coastal Mist once or twice a week helps maintain skin that feels smooth, refreshed, silky, and comfortably cared for.

Why These Ingredients Are Chosen

Mineral & Botanical Ingredients

Medium Celtic Sea Salt provides gentle mineral exfoliation to help remove dry, rough surface skin while leaving the body feeling smoother and refreshed.

Epsom Salt helps soften rough skin while providing a mineral-rich exfoliating experience.

Fine Pink Himalayan Salt gently polishes the skin while contributing naturally occurring minerals that support healthy-looking skin.

Red Kaolin Clay helps lift away surface impurities while gently refining the skin without over-drying.

Fractionated Coconut Oil provides lightweight moisture that helps soften the skin without leaving a heavy residue.

Sweet Almond Oil nourishes and conditions the skin, helping maintain softness after exfoliation.

Castor Oil helps support the skin's natural moisture barrier while contributing lasting softness.

Vitamin E provides antioxidant support while helping protect and condition the nourishing botanical oil blend.

Why These Ingredients Are Chosen

Essential Oils

Grapefruit Essential Oil is valued for its bright, citrus aroma that creates an uplifting and refreshing body care experience.

Juniper Berry Essential Oil contributes a fresh, crisp botanical aroma that helps create a revitalising and balanced sensory experience.

Cypress Essential Oil provides a clean, woody aroma that complements the refreshing character of the formulation while enhancing the overall body care ritual.

Why They Work Well Together

Together, Grapefruit, Juniper Berry, and Cypress create an invigorating botanical blend that complements the mineral-rich exfoliants and lightweight botanical oils. Their fresh, uplifting aromas transform every exfoliation into a revitalising self-care experience, leaving the skin feeling refreshed, silky smooth, and comfortably cared for.

Why You'll Love It

Coastal Mist gently polishes away rough, dry surface skin while refreshing and revitalising the body, leaving your skin feeling silky smooth, soft, and beautifully refreshed after every use.

- Gently removes dry, rough surface skin
- Leaves skin feeling silky smooth and refreshed
- Helps improve the appearance of dull, dry skin
- Provides lightweight moisture during exfoliation
- Helps support the skin's natural moisture barrier
- Gentle enough for regular body exfoliation
- Leaves skin feeling refreshed, revitalised, and comfortably cared for

Directions:

- Apply to clean, damp skin during your bath or shower.
- Massage gently using circular motions, paying extra attention to rough areas such as elbows, knees, and feet.
- Rinse thoroughly with warm water and pat the skin dry.
- Use 1–2 times per week, or adjust the frequency according to your skin's needs and tolerance.

Safety & Precautions

- For external use only.
- Avoid contact with the eyes.
- Do not use on broken, irritated, or sunburnt skin.
- Discontinue use if irritation occurs.
- Keep out of reach of children.
- If you have very sensitive skin or are using exfoliating acids or retinoids, reduce the frequency of use or alternate application days.

Keep water out of the container to protect the product from unwanted moisture. Always use clean, dry hands or a clean, dry spoon to remove the product, and replace the lid securely after each use.
