

Ocean Crest

Mineral Body Scrub

Nourishing mineral exfoliation for smooth,
nourished, healthy-looking skin.

POWERED BY CELTIC SEA SALT

Nourishing Exfoliation & Lasting Skin Softness

Ocean Crest is our most nourishing mineral body scrub, combining mineral-rich exfoliation with botanical oils that help soften rough, dry skin while replenishing moisture. Formulated with Celtic Sea Salt, Avocado Oil, Sweet Almond Oil and Vitamin E, it leaves skin feeling exceptionally soft, smooth and comfortably nourished after every use.

Blending Celtic Sea Salt, Avocado Oil, Sweet Almond Oil, Vitamin E, and pure essential oils, it smooths and softens the skin while replenishing moisture to leave it feeling soft, comfortable, and well cared for.

Regular use helps improve the look and feel of rough, dry areas such as elbows, knees, and feet while leaving the entire body feeling smoother, softer, and beautifully refreshed.

Nature's Lasting Nourishment

Ocean Crest combines mineral-rich salts, nourishing botanical oils, mineral clay, and pure essential oils to gently exfoliate rough, dry skin while helping replenish moisture and restore lasting softness.

- Lavender Essential Oil
- Sweet Orange Essential Oil
- Rosemary Essential Oil

Medium Celtic Sea Salt, Epsom Salt, Fine Himalayan Salt, Red Kaolin Clay, Sweet Almond Oil, Fractionated Coconut Oil, Avocado Oil, and Vitamin E work together to gently polish away dry surface skin while helping soften rough areas, replenish moisture, and support the skin's natural barrier.

Lavender, Sweet Orange, and Rosemary essential oils complement the mineral and botanical blend, creating a comforting botanical body care experience while helping leave the skin feeling refreshed, smooth, and well cared for.

Why Body Exfoliation Matters

Throughout the day, the skin is exposed to friction, environmental stressors, and natural moisture loss. Over time, dead skin cells can build up on the body's surface, leaving the skin feeling rough, dry, and looking dull.

Regular body exfoliation helps remove this build-up, revealing smoother skin while helping improve texture and maintain a softer, healthier-looking appearance.

Ocean Crest combines mineral-rich salts with nourishing botanical oils to gently polish away rough, dry surface skin while helping replenish moisture and support the skin's natural barrier. The result is skin that feels soft, smooth, and comfortable rather than stripped or dry.

With regular use, skin feels smoother, softer, nourished, and ready for the next steps in your body care routine.

Who It's Best For

Ocean Crest is suitable for anyone looking to maintain smooth, soft, healthy-looking skin through regular body exfoliation and nourishing body care.

It is especially suitable for:

- Dry skin
- Rough, flaky skin
- Mature skin
- Skin needing extra nourishment
- Anyone who prefers richer botanical oils

For most skin types, using Ocean Crest once or twice a week helps maintain skin that feels smooth, soft, comfortable, and well cared for.

Why These Ingredients Were Chosen

Mineral & Botanical Ingredients

Celtic Sea Salt provides mineral-rich exfoliation to remove dry, rough surface skin and leave the body feeling smoother.

Epsom Salt adds to the mineral-rich exfoliating experience while helping leave the skin feeling refreshed after use.

Pink Himalayan Salt provides additional gentle exfoliation while contributing naturally occurring minerals.

Red Kaolin Clay is a gentle clay that helps lift away impurities while refining the skin's surface without over-drying.

Fractionated Coconut Oil is a lightweight emollient that allows the scrub to glide easily over the skin while helping prevent dryness during exfoliation.

Sweet Almond Oil helps condition the skin, supporting softness and leaving it feeling smooth, supple, and comfortable.

Avocado Oil is rich in nourishing fatty acids that help replenish moisture and leave the skin feeling soft, smooth, and conditioned after exfoliation.

Vitamin E provides antioxidant support and complements the nourishing botanical oil blend, helping to keep the skin feeling soft and well cared for.

Why These Ingredients Are Chosen

Essential Oils

Lavender Essential Oil is valued for its calming botanical aroma, helping create a relaxing body care experience while complementing the nourishing formulation.

Sweet Orange Essential Oil is cherished for its fresh, uplifting citrus aroma, bringing brightness and vitality to the blend while enhancing the overall sensory experience.

Rosemary Essential Oil contributes a fresh, herbaceous aroma that adds an invigorating character to the formulation, complementing the mineral-rich salts and nourishing botanical oils.

Why They Work Well Together

Together, Lavender, Sweet Orange, and Rosemary create a beautifully balanced aromatic blend that complements the nourishing botanical oils and mineral-rich exfoliants. Their calming, uplifting, and revitalising aromas transform every exfoliation into a refreshing body care experience, leaving the skin feeling soft, smooth, refreshed, and comfortably cared for.

Why You'll Love It

Ocean Crest combines mineral-rich exfoliation with nourishing botanical oils to soften rough skin while restoring lasting comfort and moisture.

- Gently removes dry, rough surface skin
- Leaves skin feeling soft, smooth, and nourished
- Helps improve the appearance of dull, dry skin
- Replenishes moisture during exfoliation
- Helps support the skin's natural moisture barrier
- Gentle enough for regular body exfoliation
- Leaves skin feeling refreshed, comfortable, and beautifully cared for

Directions:

- Apply to clean, damp skin during your bath or shower.
- Massage gently using circular motions, paying extra attention to rough areas such as elbows, knees, and feet.
- Rinse thoroughly with warm water and pat the skin dry.
- Use 1–2 times per week, or adjust the frequency according to your skin's needs and tolerance.

Safety & Precautions

- For external use only.
- Avoid contact with the eyes.
- Do not use on broken, irritated, or sunburnt skin.
- Discontinue use if irritation occurs.
- Keep out of reach of children.
- If you have very sensitive skin or are using exfoliating acids or retinoids, reduce the frequency of use or alternate application days.

Keep water out of the container to protect the product from unwanted moisture. Always use clean, dry hands or a clean, dry spoon to remove the product, and replace the lid securely after each use.
