

Silk & Sea

Mineral Facial Polish

Gentle mineral exfoliation for smoother,
softer, radiant-looking skin.

POWERED BY CELTIC SEA SALT

Renewal & Natural Radiance

Silk & Sea is a mineral facial polish formulated to refine skin texture while helping maintain the skin's natural moisture balance.

Formulated with Celtic Sea Salt, Colloidal Oatmeal, Red Kaolin Clay, nourishing botanical oils, and pure essential oils, it removes dull surface skin to reveal a smoother, softer, and more radiant-looking complexion.

Silk & Sea combines mineral polishing with skin-conditioning botanicals to refine the skin while helping maintain comfort and moisture balance throughout the exfoliation process.

Regular use leaves the skin feeling refreshed and prepares it for the rest of your skincare routine.

Why Exfoliation Matters

Healthy skin naturally sheds dead skin cells as part of its renewal process. Over time, some of these cells can remain on the skin's surface, leaving the complexion looking dull and the skin feeling rough.

Regular exfoliation helps remove this build-up, revealing fresher-looking skin, refining skin texture, and preparing the skin for the next steps in your skincare routine.

Silk & Sea uses finely textured Celtic Sea Salt to polish the skin, while Colloidal Oatmeal, Red Kaolin Clay, and nourishing botanical oils help keep the skin feeling balanced and comfortable throughout exfoliation.

With regular use, skin feels smoother, softer, refreshed, and ready for the next step in your skincare routine.

Nature's Renewal

Silk & Sea combines mineral-rich exfoliants, nourishing botanical oils, soothing plant-based ingredients, and pure essential oils to gently refine skin texture while helping maintain the skin's natural moisture balance.

- Frankincense Essential Oil
- Lavender Essential Oil

Celtic Sea Salt, Colloidal Oatmeal, Red Kaolin Clay, Jojoba Oil, Sweet Almond Oil, and Vitamin E work together to gently remove dull surface skin while helping to nourish, soften, and support the skin's natural barrier. This balanced blend leaves the complexion feeling smoother, refreshed, and comfortably hydrated after every use.

Lavender and Frankincense essential oils complement the mineral and botanical blend, helping leave the skin feeling calm, balanced, and well cared for while enhancing the overall facial care experience.

Who It's Best For

Silk & Sea is suitable for anyone looking to maintain a smooth, healthy-looking complexion through gentle, regular facial exfoliation.

It is especially suitable for:

- Normal skin
- Dry skin
- Combination skin
- Sensitive skin requiring a gentle approach to exfoliation
- Dull or tired-looking skin
- Uneven skin texture
- Mature skin

For most skin types, using Silk & Sea once or twice a week is enough to help maintain a smooth, balanced complexion without over-exfoliating.

Why These Ingredients Were Chosen

Celtic Sea Salt provides gentle mineral exfoliation to help polish away dull surface skin and reveal a smoother-looking complexion.

Jojoba Oil supports moisture balance during exfoliation and helps soften the skin.

Sweet Almond Oil conditions and nourishes the skin, helping maintain softness after exfoliation.

Colloidal Oatmeal supports skin comfort while helping maintain the skin's natural protective barrier.

Red Kaolin Clay helps lift away surface impurities while gently refining the skin without over-drying.

Vitamin E provides antioxidant support while helping protect and condition the nourishing botanical oil blend.

Lavender Essential Oil provides a calming botanical aroma while helping leave the skin feeling calm and comfortable.

Frankincense Essential Oil was chosen for its long history in botanical skincare and its warm, grounding aroma, complementing the overall facial care experience.

Why They Work Well Together

Together, Lavender and Frankincense create a calming botanical blend that complements the mineral facial polish while enhancing the overall facial care experience.

Why You'll Love It

- Refines skin texture for a smoother-looking complexion
- Gently removes dull surface skin while helping maintain the skin's natural moisture balance
- Supports a smoother, more radiant-looking complexion
- Conditions and softens the skin during exfoliation
- Prepares the skin for the next steps in your skincare routine
- Gentle enough for regular facial exfoliation
- Leaves skin feeling soft, smooth, and refreshed

Directions:

- Ensure your hands are clean and dry, or use a clean, dry spoon to remove the product from the container.
- Apply a small amount of Silk & Sea to clean, damp skin, avoiding the eye area.
- Massage gently using light circular motions for 30–60 seconds.
- Rinse thoroughly with warm water and pat the skin dry.
- Follow with your Elara Grace skincare routine.
- Use 1–2 times per week, or adjust the frequency according to your skin's needs and tolerance.

Safety & Precautions

- For external use only.
- Avoid contact with the eyes.
- Do not use on broken, irritated, or sunburnt skin.
- Discontinue use if irritation occurs.
- Keep out of reach of children.
- If you have very sensitive skin or are using exfoliating acids or retinoids, reduce the frequency of use or alternate application days.

Keep water out of the container to protect the product from unwanted moisture. Always use clean, dry hands or a clean, dry spoon to remove the product, and replace the lid securely after each use.
